WELCOME

Welcome to our Preschool 2 classroom, where children are eager to ask questions, solve problems, build friendships, and explore the world around them. Our daily schedule provides children with a balance of structured learning, child-led exploration, active play, and quiet reflection. Each day includes circle time, learning centers and hands-on exploration, and small and large group activities. Extracurricular activities are now offered, including swim lessons, sports camps, Wardwell Farm camp, and field trips!

Tuition is all inclusive covering daily classroom supplies, breakfast/lunch and three snacks daily, art materials, and developmental toys.

Please be sure to pack:

- Substitute food/milk if needed
- Spare clothes
- Diapers/Pull-Ups and diaper cream
- Nap sheet and blanket

Learning Through Play

Our classroom follows an **emergent curriculum**, where children's interests and questions inspire meaningful learning experiences. Children engage in experiences such as:

- Sensory exploration, science and nature exploration
- Process-focused art projects
- Building and engineering with blocks and loose parts
- Dramatic play and storytelling
- Early math through counting, measuring, sorting, patterning, and problem-solving

We are proud to partner with families as children continue to grow into thoughtful, capable learners who are developing the skills, confidence, and curiosity that will prepare them for Pre-K and beyond.
