WELCOME

In our precious Infant 1 room, we understand that every infant develops at their own pace. Our teachers provide individualized attention while following each baby's unique needs and routines. Your baby's comfort and well-being are our highest priorities. We follow each infant's individual schedule for bottle feedings, nap times, diaper changes.

Growing Every Day

Our classroom uses an **emergent curriculum**, meaning learning experiences are guided by each baby's interests, developmental stage, and natural curiosity. During their time in Infant 1, babies begin reaching exciting developmental milestones, including:

- Developing stronger head and neck control
- Enjoying tummy time
- Reaching and grasping for toys
- Learning to roll over
- Sitting with support and independently
- Beginning to crawl and explore

Please be sure to pack:

- Formula or breastmilk
- Spare clothes
- Diapers and diaper cream
- Pacifier (if used), and sleep sack (if used)

We are honored to be part of your baby's first learning journey and look forward to partnering with your family during these precious early months!
