Bainbridge Island, WA 98110  
(206) 842-6363

### COVID-19 Policy Regarding Children & Employees as of 9/27/2022

#### Someone Tests Positive for COVID-19 (Isolate)

#### **Everyone, regardless of vaccination status.**

- Stay home and isolate. If you are symptom free or your symptoms are resolving after 5 days and you have been fever-free for at least 24 hours, you can return to FYCC and wear a well fitted mask for 5 days. If you or your child is unable to wear a well fitted mask properly, they can return after the 10<sup>th</sup> day.

#### Exposed to Someone with COVID-19

- You do not need to quarantine unless you develop symptoms.

## When to Stay Home

### Calculating Isolation

Day 0 is your first day with symptoms or a positive test. **Day 1 is the first full day (24 hours) after your symptoms developed or your test specimen was collected.** If you have COVID-19 or have symptoms, isolate for at least 5 days.

### Who does not need to quarantine?

If you had close contact with someone with COVID-19 and you are in one of the following groups, you **do not need to quarantine**:

- You are up to date with your COVID-19 vaccines.
- You had confirmed COVID-19 within the last 90 days.
- You are not exhibiting symptoms.

***It is recommended that you still test on the 5<sup>th</sup> day even if you never showed symptoms.***

\*FYCC will always provide all information that we can without violating family and employee privacy.

\*\*This is FYCC's flexible guidelines, and all closures are subject to change and can be based on variants and developing recommendations of Kitsap Public Health District and/or CDC and what is decided is in the best interest of children and employees.

\*\*\*FYCC will not reimburse families for days not attended due to COVID-19. If you are struggling financially, please reach out to inquire about our scholarship options.
