WELCOME

At this stage, toddlers are developing new skills every day as they build language, strengthen friendships, and gain independence through hands-on experiences. Every child is unique, and we work closely with families to ensure each toddler's individual needs are met. Daily care includes a predictable daily schedule with time for play, learning, meals, and rest. And continued encouragement with self-feeding and independence during meals.

Learning Through Play

Our classroom follows an **emergent curriculum**, where children's interests inspire meaningful learning experiences. Activities may include:

- Sensory exploration and discovery
- Art experiences using a variety of materials
- Building with blocks and loose parts
- Dramatic play and imaginative exploration
- Simple science and nature activities
- Playground exploration

Please be sure to pack:

- Substitute food/milk if needed
- Spare clothes
- Diapers and diaper cream
- Pacifier (if used)
- Nap sheet and blanket

We are honored to be part of this exciting stage as your toddler gains confidence, independence, and a lifelong love of learning through play.
