WELCOME

Welcome to our Toddler 3 classroom, where growing independence, curiosity, and imagination take center stage! At this exciting age, children are eager to explore, and learn through hands-on experiences. Toddlers thrive with consistency. Our daily routine provides a balance of active play, quiet learning, meals, rest, and outdoor exploration while allowing flexibility to follow children's interests.

Learning Through Play

Our classroom follows an **emergent curriculum**. Through purposeful play, children develop critical thinking, creativity, and problem-solving skills. Daily experiences may include:

- Process-focused art projects
- Sensory and outdoor exploration
- Dramatic play and imaginative storytelling
- Music, movement, and dance
- Early math activities such as counting

Please be sure to pack:

- Substitute food/milk if needed
- Spare clothes
- Diapers/Pull-Ups and diaper cream
- Nap sheet and blanket

Toilet Learning

Small potties are available in the classroom, along with a standard toilet equipped with a child-sized potty seat. Toddlers are gently introduced to toilet learning by being offered the opportunity to sit on the potty at appropriate times. Educators help children make the connection between diaper changes,

recognizing their body's cues, and using the potty. Toilet learning is approached at each child's individual pace, with encouragement and positive support to help build confidence and independence.

Your child will develop the confidence, independence, and social-emotional skills that will prepare them for preschool and a lifetime of joyful learning.
