WELCOME

Our Infant 2 classroom is designed for babies who are becoming increasingly mobile, curious, and eager to explore the world around them. Although children in Infant 2 are becoming more independent, we continue to honor each child's unique needs and routines with individual nap schedules, bottle feedings and the transition to cups, introduction to self-feeding during meals and snacks, and diapering.

Learning Through Play

Our classroom follows an **emergent curriculum**, allowing children's interests and developmental milestones to guide daily learning experiences. Activities may include:

- Crawling, pulling up, cruising, and beginning to walk
- Climbing soft play equipment
- Sensory exploration with a variety of textures and materials
- Cause-and-effect toys
- Stacking, sorting, and simple puzzles

Please be sure to pack:

- Formula or breastmilk
- Spare clothes
- Diapers and diaper cream
- Pacifier (if used), and sleep sack (if used)

We are honored to partner with families during this exciting stage of growth and discovery as your child becomes a confident, curious learner.
